Key Plan

Floor plans are for pictorial and marketing purposes only. Unit areas and room sizes are approximate. Actual field conditions within the apartments may differ from the floor plans. Actual kitchen and bath configurations and layouts may differ from the floor plans. Door swing directions may differ from the floor plans. Closet shelving is a graphic representation only and actual closet shelving layout in the unit may differ from what is represented in this floor plan. Not all conditions which exist in the apartments are represented on the floor plans such as the size and location of radiators, which will exist in most rooms. Similar apartments on different floors and locations within the building will have slightly different floor plan configurations, including, but not limited to, floor plans that are mirror image of the ones herein represented.
